## Summary of Changes in this Version

This document is an updated version of the initial deliverable D2.3 (Project Communication Kit). The transition from version 1 to version 2 (this version) is as follows:

- The communication kit contains now additional material.
  - a project folder as container for all printed material
  - an overall application brochure
  - a set of give-away items
    - \* reflector tape
    - \* ball point pen
    - \* lanyard
- A section on the MAPPER web site has been added.
- A reference to the initial deliverable D2.3 (initial Version of the Project Communication Kit) has been added.
